

# Christmas Card Drive for the Homeless

Better Days Animal League, a non-profit feline rescue, would like to ask your family to add our family to your Christmas card list this season. During this holiday season, we're asking everyone to drop off or send a card with a \$1 bill enclosed to our homeless residents (... \$5's or \$10's would be great too!)

Our goal is to have our furry friends receive 500 cards from everyone who believes in BDAL's dedication to the principle that all life must be treated with value, dignity, and respect. BDAL continues to serve our community without paid administrative staff. BDAL volunteers are currently caring for almost 40 homeless cats/kittens, have transported hundreds of cats to low cost spay/neuter clinics, and rescued so many kittens from unsafe environments ... only with the help of generous people like you have we been able to continue placing so many deserving felines into their loving forever homes.

With the holidays coming quickly upon us, won't you please consider making the lives of these homeless cats/kittens a little brighter by passing this message along to as many people as possible?

***Wishing everyone a jolly and merry holiday season!***
